**NAPA RIPENS
-NEW BAR & KITCHEN LAUNCHES IN NORTH LEEDS-**

The launch of Napa Bar & Kitchen on Thursday 25th October, the seventh bar from Arc Inspirations, proved a huge success with over 500 guests descending on Street Lane in Roundhay, north Leeds to soak up the atmosphere and sample the fine wines, exotic cocktails and international bottle beers.

Named after one of the finest wine regions in the world, Napa offers an extensive range of wines from northern and southern hemispheres to suit every experience and occasion. The food menu consists of comforting breakfasts, gourmet burgers, deli sandwiches, salads, 'share and share alike' platters plus classic mains with a contemporary twist.

Commenting on the launch night, Martin Wolstencroft, Arc Inspirations managing director said:

"We've always thought Roundhay would be a strong market for us and based on the launch night and feedback, it looks like we will not be disappointed.

"We're confident that Napa will become one of the best bars in England."
